This notice applies to all residents in Nanum, Trunding, Golf Links and Rocky Point from 31.03.2026.

There is no longer a public health concern regarding the quality of drinking water due to the impacts of Cyclone Narelle. The water is now considered safe for all typical uses including:

- Drinking
- Brushing teeth
- Preparing food and beverages
- Washing raw foods such as fruit and vegetables
- Preparing beverages and making ice
- Preparing baby formula
- Sponge-bathing infants

Weipa Town Authority has worked closely with Queensland Health and the Queensland Water Supply Regulator this past week to resolve the situation as quickly as possible. Extensive water quality testing and spot checks have been undertaken to ensure the safety of the drinking water. Weipa Town Authority will continue to closely monitor the situation.

Residents are asked to share this notice with neighbours and friends.

We thank residents for their patience and understanding during this time.
